The Jo Ann Troutman Scholarship 2015-2016

The Jo Ann Troutman Scholarship supports women at the University of Arizona who are juniors or seniors and majoring in science, engineering, or mathematics, or in education to teach science, engineering or mathematics. Scholarships are decided based on academic achievement and are awarded annually in the amount of approximately $500. Jo Ann was a graduate and long-time staff member of the University of Arizona. This scholarship was established by her family and friends and is an ongoing expression of respect and support for the values by which she lived.

Applicant Criteria:

• Must be a female United States citizen
• Must be in her junior or senior year of undergraduate study at the University of Arizona
• Must be pursuing a major in science, engineering, or mathematics or in education to teach science, engineering, or mathematics
• Must have an overall grade point average of 3.0 or better and must provide an unofficial transcript if selected
• Demonstrated financial need may be considered, but is not a requirement

Application Requirements:

1) Complete the scholarship application available at: [http://wise.web.arizona.edu/content/joann_troutman_scholarship](http://wise.web.arizona.edu/content/joann_troutman_scholarship)

2) Applicants must also write short essay (no more than 500 words) describing her specific area of scientific interest and her academic and career goals in that area. The essay should show evidence of commitment to a career in her field of study.
